

Planning Guide 2021-2022

AS-T CHEMISTRY (60 UNITS) *Grades of "C" or better required*

Core Courses (36 units)

General Chemistry for Science Majors (C-ID CHEM 120S, La Sierra CHEM 111/L, 112/L, 113/L)

Organic Chemistry for Science Majors (C-ID CHEM 160S, La Sierra CHEM 281/L, 282/L)

Calculus-Based Physics for Scientists & Engineers AB (C-ID PHYS 205, 210, La Sierra PHYS 231/L, 232/L)

Single Variable Calculus Sequence (C-ID MATH 900S, La Sierra MATH 131, 132, 133)

IGETC for STEM (24 units)

English Writing, 1A (4 units)

English Composition, 1B (4 units)

Arts, 3A (3 units)

Humanities, 3B (3 units)

Social & Behavioral Sciences, 4A-J (6 units)

Biological Science, 5B (3-5 units)

BS BIOCHEMISTRY: HEALTH PROFESSIONS (102 UNITS)

Grades of "C" or better required

60 units must be Upper Division, 190 units required to graduate

Major Requirements (64 units)

Chemistry & Biochemistry Curriculum (36 units)

Required Cognates (24 units)

Additional Upper Division Chemistry Units (4 units)

Foundational Studies (14 units)

World Language (12 units)

Lifetime Fitness (2 units)

General Studies (20 units)

Arts & Humanities (4 units)

Upper Division Scripture (4 units)

Adventism in a Global Perspective (4 units)

Upper Division Natural Science (4 units)

Senior Seminar (4 units)

General Electives (4 units)

General Electives

University Studies Service-Learning (0 units)

Two courses must include a Service-Learning component

**Deviation from the Planning Guide does not prevent an ADT student from guaranteed acceptance and in most cases graduation from La Sierra within 2 years of transfer is still possible.*

**QUESTIONS: Contact our Pre-Transfer Advisor at adtinfo@lasierra.edu or call 951.785.2380.*
